THINKING ABOUT:

travelling light and working with others

WATCH THE VIDEO and as you do ask:

- How does Groby URC, in the words of the minister, not “stand still”?
- What surprises you about this story?

DIGGING DEEPER Read Acts 17:10-15

- What might “travelling light” mean when we think about mission? Why is it important?
- How do Paul and Silas and the other characters in the reading work together?
- In what ways do the first Christians travel light as the good news of Jesus Christ is spread?

- What would being “intentionally missional” mean for your church community?
- How might your church community soften its edges to include others?
- How is God surprising you and doing what you did not expect in your place?
